NORTHERN NEW MEXICO

Each 30 minute quadrangle (shown in blue) is identified in the southeast corner by a six digit number showing successively degrees of latitude, degrees of longitude, and position in its one degree quadrangle.

Note: Data may be requested by quadrangle, county, or other unit. Since publication of data in quadrangle units may not be complete, this State requests for information by quadrangle number will be supplied with data in whatever form is available.

STATE OF NEW MEXICO (NORTHERN SECTION)
