TRIANGULATION DIAGRAM
(Not For Navigational Purposes)

HORIZONTAL CONTROL

- Monumented Point or Located Object
- See separate index for names of numbered stations
- Station reported not recovered
- Measured Base - Electronic or Taped
- Line of triangulation observed from sea level only
- Line of triangulation observed from low water only
- Measured Length - Electronic

Information may be obtained from the Coast and Geodetic Survey, Environmental Science Services Administration, Republic, Republic (1962)

STORM WARNING
See U.S. Weather Service Bulletin for details of Storm Key Light, American Shoals Light and Key West.
