## TRIANGULATION DIAGRAM (Not For Navigational Purposes)

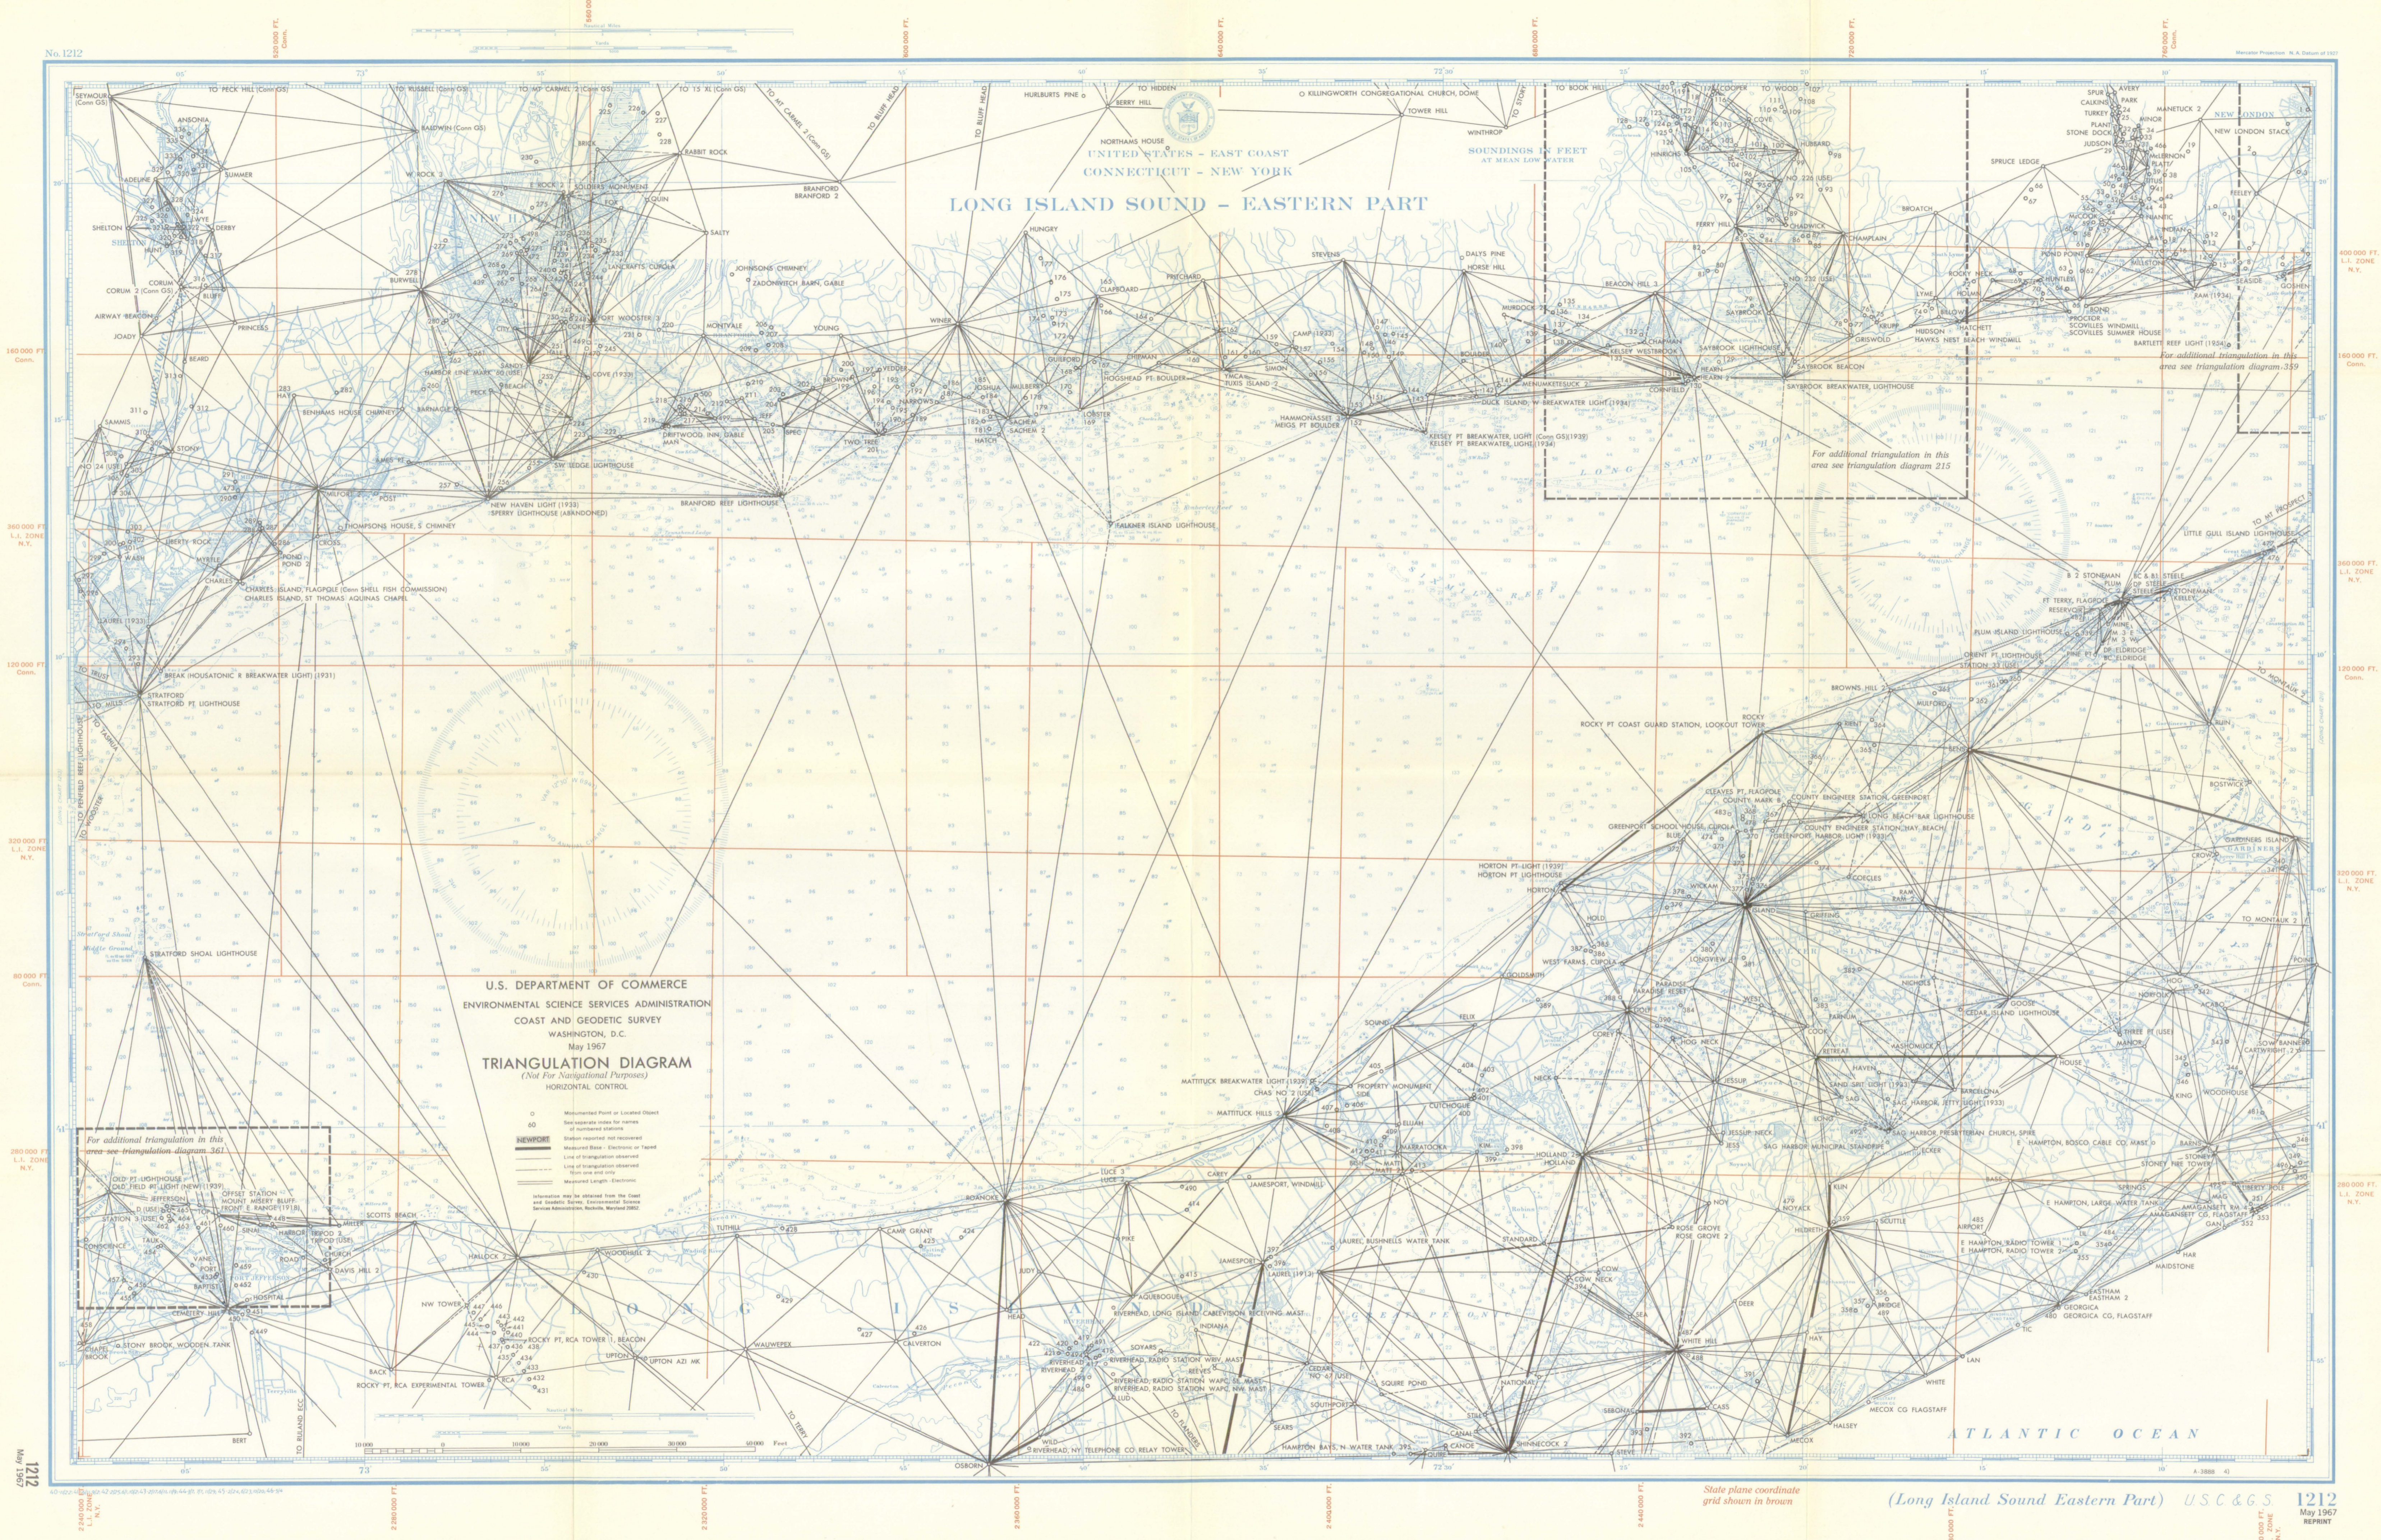

HORIZONTAL CONTROL

- Monumented Point or Located Object
  - 00 See separate index for names of monumented stations
  - Station reported not recovered
  - Measured Base - Electronic or Taped
  - Line of triangulation observed
  - Line of triangulation observed from one end only
  - Measured Lateral - Electronic
- Information may be obtained from the Coast and Geodetic Survey, Environmental Science Services Administration, Rockville, Maryland 20852

For additional triangulation in this area see triangulation diagram 361

For additional triangulation in this area see triangulation diagram 359

For additional triangulation in this area see triangulation diagram 215
