TRIANGULATION DIAGRAM

April 1970

HORIZONTAL CONTROL

- Monumented Point or Located Object
- See separate index for names of numbered stations
- Station reported not measured
- Measured Base - Electronic or Taped
- Line of triangulation observed
- Line of triangulation observed from one end only
- Measured length - Electronic

(Not For Navigational Purposes)

Information may be obtained from the Coast and Geodetic Survey, Environmental Science Services Administration, Rockville, Maryland 20852
